OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of
optional pre-payment of British Postage in
India, upon Letters for places within the United
Kingdom of Great Britain, which will come into
operation on the 1st of the ensuing month of
March, the following rates of Postage will be le-
vied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the
ounce.

As 5 ounces is the nearest integral of English
weight to 12 Tolas, the maximum weight allowed
for transmission by Dawk, it is indispensable that
letters be not allowed to exceed that weight, to
prevent the inconvenience of their being refused
at the Post Office.

The option of pre-paying the British Postage is
exclusively, limited to Letters transmitted in the
Mails sent via Southampton, and such letters must
bear the following superscription for the guidance
of the Post Office Receivers, viz.

“BRITISH POSTAGE PRE-PAID,
“Via Southampton.”

Letters not for places, within the United King-
dom of Great Britain, or which may not require
to pass through the English Post Office, to their
ulterior destinations, will, as heretofore, be subject
to Foreign Steamer, or Red Sea Postage, precise-
ly at the same rates as those fixed for the levy of
British pre-paid Postage.

British and Foreign Steamer, or Red Sea
Postages, are exclusive of the India ordinary
Inland Postage.

It is strongly recommended, both for the con-
venience of the individuals bringing the letters,
and of the Receivers at the Post Office, that
Letters intended to be pre-paid should be accom-
panied by separate receipts, or be entered sepa-
rately from other descriptions of letters in the
Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to
apply only, to letters forwarded via Bombay, not
to letters transmitted hence by the Steamers Ben-
tuck and Hindostan.

Deputy Post Master.

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform color, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

3d. The Peon, on reaching each house, will sound the bell, and deliver all paid and service letters as usual, and at the same time, demand postage for any bearing letter or letters he may hold.

After the first sounding of the bell, the Peon may wait two or three minutes, when, if the postage of such bearing letter or letters is not given, he will sound the bell a second time, waiting as before; at the expiration of the second two minutes, he will sound the bell for the third and last time, when, after two more minutes delay, if not paid, he will proceed to the next house, and return the unpaid letter to the Office.

NOTICE TO THE RESIDENTS OF
ARRACAN AND MOULMEIN.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. Parties forwarding packages in the Steamers, should be careful therefore, to advise their Friends or Agents here, to send for such packages directly the Steamer on which they are forwarded to Calcutta, arrives; and Passengers should not neglect to land their baggage without delay or it will also be sent to the Custom House or otherwise disposed of.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shilling)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of an ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentineck and Hindostan.

Post Master.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. Parties forwarding packages in the Steamers, should be careful therefore, to advise their Friends or Agents here, to send for such packages directly the Steamer on which they are forwarded to Calcutta, arrives; and Passengers should not neglect to land their baggage without delay or it will also be sent to the Custom House or otherwise disposed of.

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage.—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform color, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

3d. The Peon, on reaching each house, will sound the bell, and deliver all paid and service letters as usual, and at the same time, demand postage for any bearing letter or letters he may hold.

After the first sounding of the bell, the Peon may wait two or three minutes, when, if the postage of such bearing letter or letters is not given, he will sound the bell a second time, waiting as before; at the expiration of the second two minutes, he will sound the bell for the third and last time when, after two more minutes delay, if not paid, he will proceed to the next house, and return the unpaid letter to the Office.

While employed in delivery the Peons will move at a sharp pace, and never loiter or converse by the way.

The Peons will be careful in carrying out these orders, that they be not guilty of disrespect or incivility to any party.

Offg. Post Master Genl.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Lolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

“BRITISH POSTAGE PRE-PAID,
“Via Southampton.”

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinok and Hindostan.

WM. MOORE,
Deputy Post Master.

NOTICE TO THE RESIDENTS OF ARRACAN AND MOULMEIN.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. Parties forwarding packages in the Steamers, should be careful therefore, to advise their Friends or Agents here, to send for such packages directly the Steamer on which they are forwarded to Calcutta, arrives; and Passengers should not neglect to land their baggage without delay or it will also be sent to the Custom House or otherwise disposed of.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shilling)

Above $\frac{1}{2}$, and not exceeding 1 ounce,

1 Rupee, (2 Shillings)

Above 1 and not exceeding 2 ounces,

2 Rupees, (4 Shillings)

Above 2, and not exceeding 3 ounces,

3 Rupees, (6 Shillings)

And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N.B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted thence by the Steamers Bontinck and Hindostan.

Deputy Post Master.

NOTICE TO THE RESIDENTS OF
ARRACAN AND MOULMEIN.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. Parties forwarding packages in the Steamers, should be careful therefore, to advise their Friends or Agents here, to send for such packages directly the Steamer on which they are forwarded to Calcutta, arrives; and Passengers should not neglect to land their baggage without delay or it will also be sent to the Custom House or otherwise disposed of.
